

Cheyenne

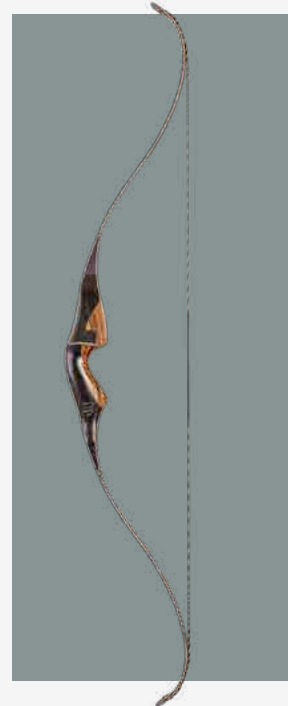

The Cheyenne was a collaboration between father and son – Grant Neil Byce II, Mr. Bear’s retired master bowyer, and Grant Neil Byce III, Bear Archery’s director of operations. The bow’s length handles the swept-back style limbs of the Take-Down, while the grip is designed to feel full in hand while incorporating the half-moon styling reminiscent of Fred’s favorite bows of the early 60s.

Limb cores made with maple laminate and overlaid with high-strength black fiberglass

Crowned, cut-on center arrow shelf with leather side plate and bear hair arrow rest

Dynaflight 97 Flemish Twist string

Tips handcrafted and layered with fiberglass
