

## THE NEW YORK STATE ELECTRICITY DELIVERY AND ENERGY BOARD

### Services you've never heard of, until now. And it's better.

#### So many services, you'll be glad you're still here.

At NYSEG, we're not just a utility. We're a community. And we're here to help you get the most out of your energy.

From energy efficiency programs to smart meters, we have a wide range of services to help you save money and protect the environment.

At NYSEG, we're committed to providing the best service possible.
