

TPE SK

TPE Surface Mount Kit

Product Description

NICOR's field install Surface Mount kit allows for our recessed TPE Edgelit LED Troffers to be converted to surface mount luminaires. Designed for use on the surface of drywall or concrete ceilings, these surface mount kits are ideal for offices, schools, hospitals and medical facility applications where surface mount troffer installation is required. The surface mount kit is available for 2' x 2', 2' x 4' and 1' x 4' troffers.

Construction

- Extruded Aluminum construction with powder coat finish
- Smooth formed sides for safe handling

Mounting and installation

- Mounting holes provided for surface mount
- Removable end caps allows for easy installation

Finish

- Gloss white powder coat finish ensures maximum rust prevention

Warranty

- 1-year limited system warranty standard
