**FOLLOW THESE
STEPS TO DECORATE
YOUR DRAGON
PRISM LIGHT AND
BRIGHTEN UP
ANY ROOM!**

STICKY DOTS are adhesive circles that hold your pieces in place. They are not repositionable. Once the sticky dot is placed, you will not be able to remove it easily.

DECORATE & DAZZLE

WINGS

Give your dragon its fierce signature look! Apply stickers to the top of the wings, then put 4 sticky dots under the wing base to attach.

1

SCALES

Every dragon needs a rugged silhouette! Apply numbered stickers to the front and back of the scale strip. Then, alternate bending tabs forward and backwards. Apply sticky dots to the bottoms of the tabs and attach to the top of the tail and continue downward.

2

FIRE

Get ready to ignite the magic! Tightly roll the flame and secure with a sticky dot. Press another sticky dot inside the dragon's mouth to attach.

3

4

EYES

Choose your favorite pair of eyes. Place one on either side of the head and press down.

NOSE

Apply the nose sticker to the end of the snout.
