

CuraFoam™ AG

Foam Dressing

Non-Bordered

ITEM 3047 4" × 4"

This highly absorbent, non-bordered sterile dressing is formulated with a silver compound to maintain a moist wound environment with continuous antimicrobial protection.

- Non-bordered, non-adherent foam dressing infused with silver ions, providing excellent exudate management with antimicrobial effects
- Enables optimal wound handling to support and maintain a moist wound environment with continuous antimicrobial protection
- Highly absorbent foam for the management of chronic and acute wounds at stages 2, 3 and 4
- Sterile primary dressing for wounds at risk of infection or re-infection
- Ideal for the management of pressure ulcers, surgical wounds, and first and second degree burns
- 10 per box, 10 boxes per case
