DRIFIRE® FR RANGE FLEX™ SHIRT JACKET

DRIFIRE®

DRIFIRE® FR RANGE FLEX™ SHIRT JACKET

JKT-6BB (Black) | **JKT-6BN** (Navy)

The DRIFIRE® FR Range Flex™ Shirt Jacket delivers lightweight warmth for cool days, when just a shirt isn't enough, but an insulated jacket is too much. Its versatile design bridges the gap between work wear and daily wear, making it a go-to on and off of the jobsite.

- Lightweight liner provides warmth
- Relaxed fit for easy layering
- Deep angled front pockets
- Snap closure chest pockets
- Durable canvas shell provides an enhanced range of motion
- Adjustable cuffs provide a more secure fit

ARC RATING: 14 cal/cm² | CAT 2

MEASUREMENT CHART			
RECOMMENDED SIZE	BODY MEASUREMENTS		ORDER TYPE
TOP SIZE	CHEST (in)	WAIST (in)	
SM	34-37	28-31	Stock
MD	38-41	32-35	Stock
LG	42-45	36-39	Stock
XL	46-49	40-43	Stock
2X	50-53	44-47	Stock
3X	54-57	48-51	Stock

- Tall sizes are 2" longer than Regular sizes
- Tall long-sleeve lengths are 2" longer than Regular sleeve lengths
- Tall short-sleeve lengths are 1/2" longer than Regular sleeve lengths

NOTE: Measurements are body measurements to help determine what size garment a person should order. For best results, measure over fitted undergarments. If your measurement falls between sizes, it is recommended that the larger size be purchased.

1 CHEST
Stand up straight with your arms relaxed at your sides. Measure around the fullest part of your chest, under your arms and across your shoulder blades, ensuring the tape is level.

2 WAIST
Measure around your natural waist, where your waist bends side to side. **NOTE:** This may not be the smallest point.
