# HYGGE

Hygge 2 x 8 glossy wall tile is a beautiful and versatile option for any room in your home. The soft and serene earth tones are perfect for creating a calming and relaxing atmosphere, while the glossy finish adds a touch of sophistication. The tile can be installed in a variety of patterns, including a standard straight-joint pattern, herringbone pattern, and more. This gives you the flexibility to create a look that perfectly suits your style and needs.

Mohs Hardness - EN101	Not Applicable
PEI Rating	Not Applicable
Water Absorption	<0.5%
Country of Origin	Mexico
Certifications	Not Applicable
Shade Variation Code	v3

CARE & MAINTENANCE

Glazed tile products should be cleaned routinely with an all-purpose, low VOC, household or commercial cleaner. The product chosen should also be grout joint cleaning compatible. The type of product may vary depending on the tile application and use. A multipurpose spray cleaner, which removes soap scum, hard water deposits and mildew designed for everyday use can be used on wall tile areas in residential baths and showers. A cotton mop, cloth, sponge, or non-metallic brush should be used to apply and agitate cleaner. Rinse the area with clean water and dry thoroughly. Routine cleaners should never contain harsh chemicals as these can damage tile. Acids can damage grout and the glazed surface of the tile. Ammonia can discolor grout.

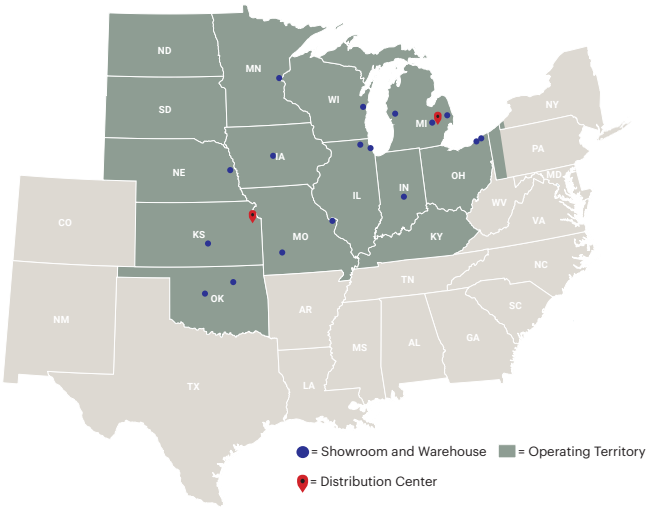

Regular dust mopping, sweeping, or vacuuming is recommended prior to cleaning with liquid products.

Unglazed tile should be cleaned routinely with concentrated tile cleaners with a neutral pH for safe regular use. These cleaners are better suited for removing grease, oils, and normal spills from unglazed products. Again, these products will vary depending on the application, amount of traffic and the use. The product chosen should also be compatible with the grout.

A MIDWEST STAPLE.

Our 19 locations represent an expansive footprint, with an in-house transportation network directly servicing professionals in 16 states across the Midwest.

While our commercial programs and manufacturer partnerships extend to projects across North America.
