Product Guide

Why Choose Dahle?

Trusted Since 1930-

For over 90 years Dahle's been recognized for innovative office products and equipment. Founded in 1930, Wilhelm Dahle first began producing steel cutting discs for pencil sharpeners. Since then, Dahle's reputation for superior products and customer satisfaction has expanded worldwide.

PRECISION

Each product is engineered in Germany to ensure the highest performance. Whether you're trimming a photo, shredding a document, or sharpening a pencil, you're guaranteed to produce superior results.

QUALITY

All Dahle and Novus products are rigorously tested to ensure customer satisfaction, and guarantee many years of trouble-free operation.

Trimmers + Cutters

Whether you're trimming a single sheet of paper or a stack of 700, Dahle paper cutters will give you the results you desire. Our blades have a self-sharpening precision graduated edge which gives you the ability to shave the smallest piece from the edge of your paper. These results are achieved from over 90 years of cutting and sharpening experience.
