

SECURESTRIP ADHESIVE WOUND CLOSURES

ITEM 3521-3526 & 3534

Dynarex Wound Closure Strips are crafted from non-woven materials reinforced with polypropylene fibers for enhanced durability. The sterile strips feature a premium adhesive for secure wound closure, making them ideal for use following early suture or staple removal.

- Flexible, non-woven strips designed for optimal wound support
- Ideal for use following early suture or staple removal
- Reinforced with polypropylene fibers to provide enhanced durability
- Premium adhesive material holds bandage firmly in place
- Ventilated construction offers improved breathability
- Sterile for optimal hygiene
