

FIFRA Section 2(ee) Recommendation

For Control of Spotted Lanternfly on Roses, Flowers, Houseplants, Ornamental Trees and Shrubs, Fruits, Nuts, and Vegetables in around the home and home garden in all states except NY and TX.

Natria Neem Oil Ready-To-Use

EPA Reg. No. 70051-13-92564

This recommendation is made as permitted by Section 2(ee) of FIFRA, as amended, and has not been submitted to or approved by the US Environmental Protection Agency.

All applicable directions, restrictions, and precautions on the EPA-registered labels must be followed. Please contact SBM Life Science Corp at 877-229-3724 to determine the specific requirements for FIFRA §2(ee) recommendations in your respective state.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For Spotted Lanternfly, apply this product at first sign of insects. This product is most effective when applied on a 7 - 14 day schedule. For heavy insect populations, apply on a 7-day schedule. Spray to run off. Complete coverage of all plant tissue is necessary for control.

Follow all other label directions, restrictions and precautions on the product label.

ALWAYS READ AND FOLLOW LABEL INSTRUCTIONS

This FIFRA Section 2(ee) recommendation contains new or additional directions for use of this product, which may not appear on the package label. Read and observe the precautionary statements plus all other information appearing on the product labels. For Utah and Washington, this recommendation is not required to be in the possession of the user at the time of pesticide application. For all other states, this recommendation must be in the possession of the user at the time of pesticide application.

This Technical Information Bulletin expires on 12/31/2024.
