Adaline Wall Sconce

By Visual Comfort Signature

Description

The Adaline Wall Sconce brings a contemporary glam to your interior space. The tailed stem is accented with Quarts and is topped with a linen shade the casts warm light across your room. Note: Smallest size fixture does not cover a standard US junction box and requires a 2 x 4 inch junction box. On largest size, the backplate is behind the shade, and fits a standard size junction box.
