

Decora® Insert with HDMI® Feedthrough QuickPort® Connector

APPLICATION

Use the Decora HDMI (High Definition Multimedia Interface) insert with Decora Wallplates for a customized, high-definition media center. This standards-compliant connector is compatible with projectors and HDTV applications.

SPECIFICATION

The connector shall be designed for use in high-definition applications to provide interface between compatible devices. The connector shall be mounted in Decora wallplates and be available in white and ivory.

FEATURES

- Female-to-female connector for easy installation
- Mounted in Decora Insert for flexibility in configurations
- Cleaner install with in-wall wiring
- Compatible with HD signals

DESIGN CONSIDERATIONS

- Use with Decora Strap
- Signal attenuation becomes greater at cable distances beyond 15 feet
- Uncompressed signals
- HDMI audio and video transmissions
- Not suitable for use in telcom circuits
- Recommend CL2 rated cable for in wall wiring
- Compatible with Decora Plus Wallplates when used with standard NEMA back boxes that sit flush or are slightly recessed in the wall
- Not compatible with Decora Plus Wallplates when used with low-voltage box eliminators

STANDARDS COMPLIANCE

- cULus Listed (UL 1863, CAN/CSA-C22.2 No. 182.4-1990)

COUNTRY OF ORIGIN

China
