

MP1020SEC MULTI-PACK SOLUTION

Power, surge protection and USB charging solutions for home and office electronics

The Cyberpower MP1020SEC combo pack comes with one 4-outlet surge protector strip with USB, one USB charger with USB type A and type C, and one single-outlet power cord with USB.

The surge protector in this combo pack provides 500 joules of protection to prevent damaging power spikes and surges from reaching your small electronics and two 2.4-Amp USB ports to charge USB-powered devices. The P403UBGY has a 3 foot, stylish, braided cord that prevents tangles and stores easily when not in use. A low-profile plug fits in tight spaces to keep power within reach. The surge protector comes with a Limited Lifetime Warranty and a \$15,000 Connected Equipment Guarantee.
