Sonos Play: The Most Versatile Speaker in the Sonos System

The most versatile way to start your Sonos system, Sonos Play delivers rich stereo sound in a simple design built to live at home and move seamlessly beyond it.

- **Part of Your Sonos System:** Connect over WiFi to group across rooms or pair for stereo, with a Charging Base included to anchor it in your home.
- **Listen Anywhere at Home and Beyond:** Designed for everyday carry with a removable utility loop, you can listen at home or away with 24 hours of battery life in a durable, IP67-rated waterproof design and a built-in power bank to charge your phone.
- **Extend Your System Anywhere:** For the first time, group multiple speakers from a Bluetooth connection when away from home. Connect Sonos Play to your phone, then press and hold Play/Pause on up to three additional Sonos Play or Move 2 speakers to sync them together.
- **Fine-Tuned to Your Space:** Automatic Trueplay tuning technology adapts the sound to any environment.
- **Sustainable by Design:** Built with optimized power management and a replaceable battery for long-term listening.
- **Control Seamlessly:** Use voice services, Spotify Connect, Apple AirPlay 2, Bluetooth, and the Sonos app to bring your music, rooms, and devices together in one experience. WiFi required to enable certain features.
- **Grows Stronger Over Time:** Ongoing software updates, expanding compatibility, and products designed to work across generations mean your system evolves with you instead of being replaced.

Audio

Amplifiers
Three class-H digital amplifiers precision-tuned for the speaker's unique acoustic architecture power your sound experience.

Tweeters
Two angled tweeters create a crisp and accurate high frequency response and stereo separation.

Woofers
One midwoofer ensures the faithful playback of mid-range vocal frequencies and deep bass.

Passive radiators
Dual force-cancelling passive radiators allow for deep bass in a small enclosure while minimizing vibration.

Microphones
The far-field microphone array uses advanced beamforming and multichannel echo cancellation for quick and accurate voice control and Trueplay tuning.

Adjustable EQ
Use the Sonos app to adjust bass, treble, and loudness.

Automatic Trueplay™
This software continually optimizes the speaker's sound for its environment and the content playing. Sonos app and WiFi required to enable.

Details

IP67
Dustproof and waterproof (has been tested to withstand temporary submersion in 1 m of water for up to 30 minutes).

Dimensions
Height: 7.56 in (192 mm)
Width: 4.43 in (113 mm)
Depth: 3.02 in (77 mm)

Weight
2.87 lb (1.3 kg)

Colors
Black, White

Finish
Matte

Controls
Use the button controls to play, pause, skip, replay, adjust the volume, mute your voice assistant, and group or ungroup Sonos products.

Bluetooth button
Press to pair with a Bluetooth device.

Mic switch
Toggle off this switch on the back of the product to disconnect all power to the microphone hardware.

LEDs
Lights indicate connection, battery status, microphone activity, and mute status.

Power and Connectivity

WiFi
Compatible with WiFi 6. Connect to WiFi with any 802.11a/b/g/n/ac/ax 2.4 GHz/5 GHz broadcast-capable router.

Bluetooth
Bluetooth 5.3 supports audio streaming from any Bluetooth-enabled device.

Battery
35Wh battery provides up to 24 hours of continuous playback on a single charge.[1]

USB-C
Charge your phone on the go, or connect to an audio source using an auxiliary cable and the Sonos Line-in Adapter. Connect your router with an ethernet cable and the Sonos Combo Adapter (all accessories sold separately).

Charging Base
Included Charging Base anchors Sonos Play in your home. Requires a power connection and a USB-C/PD compatible power adapter 18W or greater (sold separately). For indoor use only; not weather resistant.

Apple AirPlay 2
Works with AirPlay 2 on Apple devices iOS 11.4 and higher.

[1] Battery life depends on volume, connection, settings, environment, and other factors.
