

# SV83

STANDARD CLASS 3 VEST

TYPE R / CLASS 3

ANSI/ISEA 107-2015

Short sleeved Standard Class 3 vest for enhanced night time visibility. Basic pockets and zip front closure for increased functionality. Class 3 safety vests are designed to protect the worker with maximum visibility. These vests are designed with the most Hi-Viz material coverage and reflective stripes for workers exposed to complex work environments. Class 3 vests are required in environments with high speed traffic, high-risk environments and where the worker must be visible through a full range of motions at a minimum of 1280 feet (390 meters).
