BED RAIL BUMPER

ITEM 13004 - HALF RAIL

ITEM 13005 - FULL RAIL

Dynarex Bed Rail Bumpers are premium, padded rail guards designed to provide a protective buffer between patients and bed rails to help reduce the risk of injury. These high-quality pads fasten effortlessly with hook-and-loop closures and feature a water-resistant non-allergenic vinyl cover that is easy to clean for worry-free maintenance.

- Soft, high-density foam pads cushion bed rails to help prevent injury
- Designed to help fill gaps between mattress and side rails
- Easy to install with hook-and-loop closures
- Lightweight pads are easy to transport and store
- Non-allergenic and water-resistant
- Vinyl cover wipes clean for easy maintenance
- 13004: 70" length to fit full bed rails
- 13005: 35" length to fit half bed rails
