NUMBER OF PLAYERS MAKES A DIFFERENCE:

SET UP:

Each player starts with 1 LIPS. Place the selected Character Pieces on the Start space at the top of the Game Board. Shuffle and place the Rocky Horror Cards and Lab Cards face down next to the Game Board. Place the Die, the Time Warp Cards, the Game Cards, LIPS and the Rocky Puzzle all next to the Game Board.

HOW TO PLAY:

Start with a live reading of the **Game Card** for Act I. Any player can read the Game Card as the Narrator. Have fun and figure out the best Rocky Horror experience and the best escape route as you play. After completing Game Card Act I, players move to Game Card Act II: Enter the Lab. When all players have completed an Act, another player reads the Game Card for the next Act. Only one Lab or Castle action from a Rocky Horror Show Card may be used per turn.

WINNING THE GAME:

The first player to escape the Castle with at least 5 LIPS wins the game.
