

A lifestyle photograph of two women in a modern living room. The woman on the left, with long brown hair and wearing a light blue short-sleeved dress, is seated in a light-colored armchair and smiling while looking at a laptop. The woman on the right, with short brown hair and wearing a red cardigan over a white shirt and blue jeans, is seated in a black and green motorized wheelchair and smiling while looking at her laptop. The background features a dark wood bookshelf filled with books and a window with sheer curtains. A white vase with white flowers is in the foreground on the left.

**Available NOW**

## STORM TORQUE™ RX 20 POWER WHEELCHAIR at a glance

- ▶ **Maneuverability:** The updated front caster housing now features improved bearings and a rounded profile enhancing turning and responsiveness.
- ▶ **Shock-absorbing Comfort:** The rear anti-tipper design now includes an adjustable spring and shock system, helping deliver a smooth and stable ride.
- ▶ **Better Footplate Clearance:** Flared front end with Double-sided front forks provide additional space for center-mount footrests without increasing the overall width of the chair.
- ▶ **Smooth Ride:** A newly designed front caster design and softer tire compound helps absorb vibrations for a more comfortable experience.
