

Salter V/E 40cm Baking Tray

BW12813EU7

Please retain instructions for future reference.

Care and use

Before using the ovenware for the first time, please ensure that it is thoroughly hand-washed. This product is suitable for domestic oven use only, with a maximum temperature of 230 °C (Gas Mark 8). To prevent sticking, we recommend lightly coating the inner surface with grease. For optimal durability, please utilise silicone, wooden, or nylon utensils, and refrain from using metal utensils. Always supervise the ovenware while in use and never leave it unattended. After use, allow the ovenware to cool before cleaning. It is safe to place the ovenware in the dishwasher with mild detergents; however, hand-washing with a mild detergent and a non-abrasive sponge is also advisable. Ensure that the ovenware is rinsed and dried thoroughly, and do not store it while wet. When handling hot ovenware, always use heat-resistant oven gloves, and avoid exposing it to cold liquid. If you notice any signs of damage, please dispose of the ovenware carefully.
