Immersion Blender with 10" Shaft & Whisk Model: WIB-50010

The Winco ProFusion™ WIB Immersion Blender gives you optimal control with precise speed selection to quickly and efficiently blend or whisk ingredients in a bowl, pan, pot or pitcher. Powerful 2/3 HP, 500W variable speed motor with (4,000 - 18,000 RPM) speed range drives through the thickest and the most delicate ingredients with ease and safe operation. Heavy-duty hand immersion blender has removable 10" stainless steel shaft and 10-gallon/40-quart capacity. High-strength metal couplings for durability to handle the demands of commercial kitchens. The WIB-50010 is great for making soups, sauces, purees, vinaigrettes, dressings and much more. Versatility - do more than just blend, the Whisk accessory is ideal for whipping and aerating - great for egg whites, creams and mashed potatoes. Ergonomic comfort grip and 10-ft high-visibility red cord and control dial make for ease of use and added safety in a commercial setting. Wall mount bracket makes for easy storage.

Main Features

- Powerful 500W (2/3 HP) variable speed motor with (4,000 - 18,000 RPM) speed range
- Removable 10" stainless steel shaft and 304 stainless steel blade - ideal for blending, chopping, mixing, pureeing, and emulsifying
- Shaft & blade are sealed and dishwasher safe
- Optimal control with dial for precise speed selection
- High-strength metal couplings for durability
- 10-gallon/40-quart capacity
- Reach deep into pots & pitchers to quickly and efficiently blend the toughest ingredients
- Whisk accessory - ideal for whipping and aerating. Great for egg whites, creams, mashed potatoes
- High-visibility red 10-foot (3 m) cord
- Wall mount hanger kit included - makes for easy storage
