

Crossroads Ironing Board - 115 X 36

LA031213BLKFEU7

Please retain instructions for future reference.

Care and use

For optimal care and longevity of your ironing board cover, please retain these instructions for future reference. It is advisable to wash the cover at a maximum temperature of 30 °C, avoiding bleach, tumble drying, and dry cleaning. When ironing, do so at a maximum temperature of 200 °C, and remember to wash dark colours separately. For light soiling, simply wipe the cover clean with a soft, damp cloth. To maintain the ironing board itself, wipe the legs with a damp cloth. Before first use, run a hot steam iron over the cover to ensure it is free of creases. Please take note: never leave a hot iron unattended and avoid placing a hot iron face down on the cover to prevent damage.
