TOP NOTCH CONSISTENCY

V-NOTCH TECHNOLOGY
 (PATENT NUMBER 10,746,500)

Maker of the world's most-popular arrow rest, the original Whisker Biscuit; Trophy Ridge introduces the all-new patented Whisker Biscuit V. The innovative V-Notch naturally centers the arrow using fewer points of contact, eliminating side-to-side arrow movement, resulting in consistent arrow trajectory shot after shot. This arrow rest makes tuning a breeze with its advanced windage adjustment and convenient reference marks giving you incredibly accurate and consistent results time after time.
