

NICOR[®] OUTDOOR

LED WALLPACK CYGNUS - OWF3

The Full Cut Off Cygnus LED Wallpack features a classic, architectural style with optimal performance. With increased output, the newest version of Cygnus delivers uniform light distribution with minimized glare. Easy installation and sensor capabilities make it a great solution for commercial spaces where both general purpose and security lighting is needed.

- Over a 10% increase in efficiency (version 1 to 3, including 3s)
- Now offered in a 4 CCT select model
- Now meets DLC 5.1 Premium listing
