NATURA ^{HDP}

High Definition Porcelain

shown on front: **28092 6x24** Charleston Brown

The Italian word “natura”, means “nature” and is the foundation for Florida Tile’s Natura^{HDP} wood look porcelain tile collection. Taking inspiration from an oak plank with a slightly distressed woodgrain surface, Natura^{HDP} creates a sense of warmth, texture, and organic grace. Its broad palette of contemporary colors elevates the personality and flair of any space.

A 6x24 plank is available in seven distinct colors: Wilmington White, Hampton Blonde, Charleston Brown, Cayman Red, Nantucket Gray, Newport Blue, and Cape Cod Charcoal. Completing the line is a 3x24 bullnose.

Manufactured using proprietary HDP—High Definition Porcelain® printing technology, Natura^{HDP} is appropriate for most residential and commercial wall, countertop, backsplash, and floor applications. It is made in the USA in our Green Squared Certified®, Advanced Manufacturing Center in Lawrenceburg, KY and includes pre-consumer recycled content. It meets the DCOF AcuTest® requirements to be installed in wet areas and is GREENGUARD® and Porcelain Tile certified.
