Introducing the IPORT Connect Phone Case for iPhone 13 and 14

Where Style Meets Cutting-Edge Functionality for Portable Payments

Say goodbye to cumbersome payment systems and hello to seamless transactions with the IPORT Connect Phone Case for iPhone 13 and 14. Imagine your retail associates effortlessly gliding around the store, completing sales without being tethered to a counter. This isn't just a phone case—it's a revolution in retail efficiency. Designed to magnetically connect to the IPORT Connect Phone PayCases transforming your iPhone into a mobile point-of-sale powerhouse. Rugged yet sleek, the Connect Phone Case meets MIL-STD-810H 516.8 standards, ensuring military-grade durability to withstand the hustle and bustle of daily use.

But the innovation doesn't stop there. Charge your Connect Phone Case with the IPORT docking station, capable of holding up to 6 iPhones with cases and 6 PayCases with payment devices, so your team is always ready to assist customers on the fly. The combination of iPhone, IPORT Connect Phone Case, PayCase, and payment device offers unparalleled flexibility, allowing your staff to take payments anywhere on the retail floor. With IPORT, you get more than just technology; you get a solution that marries reliability with effortless elegance. Elevate your retail game and ensure every transaction is smooth, secure, and stylish.

PRODUCT FEATURES

KEY FEATURES

One-Piece Quality Design

A textured MIL-STD-810H case that provides durability to withstand the hustle of retail life.
