Care and use

Please retain these instructions for future reference. Before first use, hand-wash the cutlery carefully and dry it thoroughly. Although the cutlery is dishwasher safe, it is recommended to hand-wash it to maintain its finish. For stubborn stains, a non-abrasive plastic mesh or pad with warm, soapy water should be used. Avoid leaving the cutlery to soak in water for extended periods. It is important not to store wet cutlery; instead, keep it in a clean, dry place. Provided that the care and use guidelines are followed, the Salter 15-year guarantee will replace, substitute, or refund any product that fails due to faulty workmanship or materials. This guarantee does not cover damage caused by accident or misuse and is in addition to your statutory rights. Please note that this product is not to be sold to any persons under the age of 18 and should be kept away from children.
