GLUE-DOWN SYSTEM

## Oxford™

Hermosa | 7x48

Brea | 7x48

Ojai | 7x48

## Viceroy™

Almanza | 7x48

Cordoba | 7x48

Marquina | 7x48

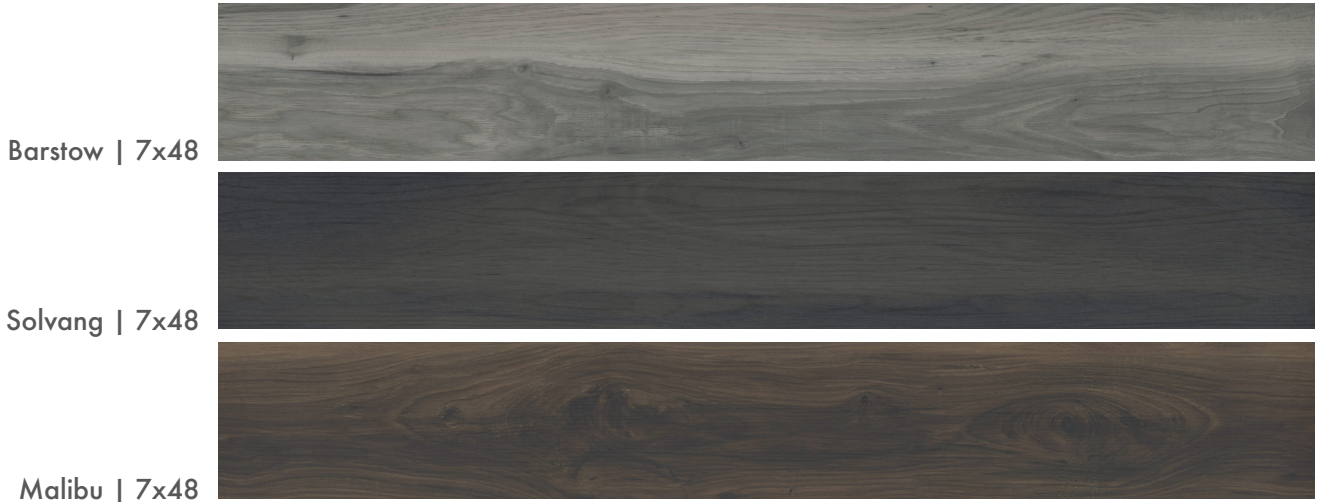

The glue down installation method involves the use of an adhesive to adhere your dryback luxury vinyl flooring to its base. Using an adhesive creates dimensional stability that ensures the flooring maintains its natural characteristics.
