Care and use

This ovenware is suitable for domestic oven use only and can be safely used at temperatures up to 220°C (Gas Mark 7). To maintain its condition, always avoid using metal utensils and never leave the ovenware unattended while it is in use. After use, allow the ovenware to cool completely before cleaning. It should be hand-washed with a mild detergent and a nonabrasive sponge, then rinsed and dried thoroughly. For your safety, always use heat-resistant oven gloves when handling hot ovenware, and never expose hot ovenware to cold liquids as this may cause damage. If there are any signs of damage to the ovenware, please dispose of it carefully.
