Allston Pendant By Troy Lighting

Description

The Allston Pendant pairs utilitarian metalwork with an organic form and finish. Finished in Ceramic Molten Umber, the softly domed shade is earthy and tactile, contrasted by the thick metal collar that secures it. In the pendant, an exaggerated Patina Brass loop chain-link suspension adds a graphic, industrial detail. Note: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
