Anatomy of a Food Truck Kitchen

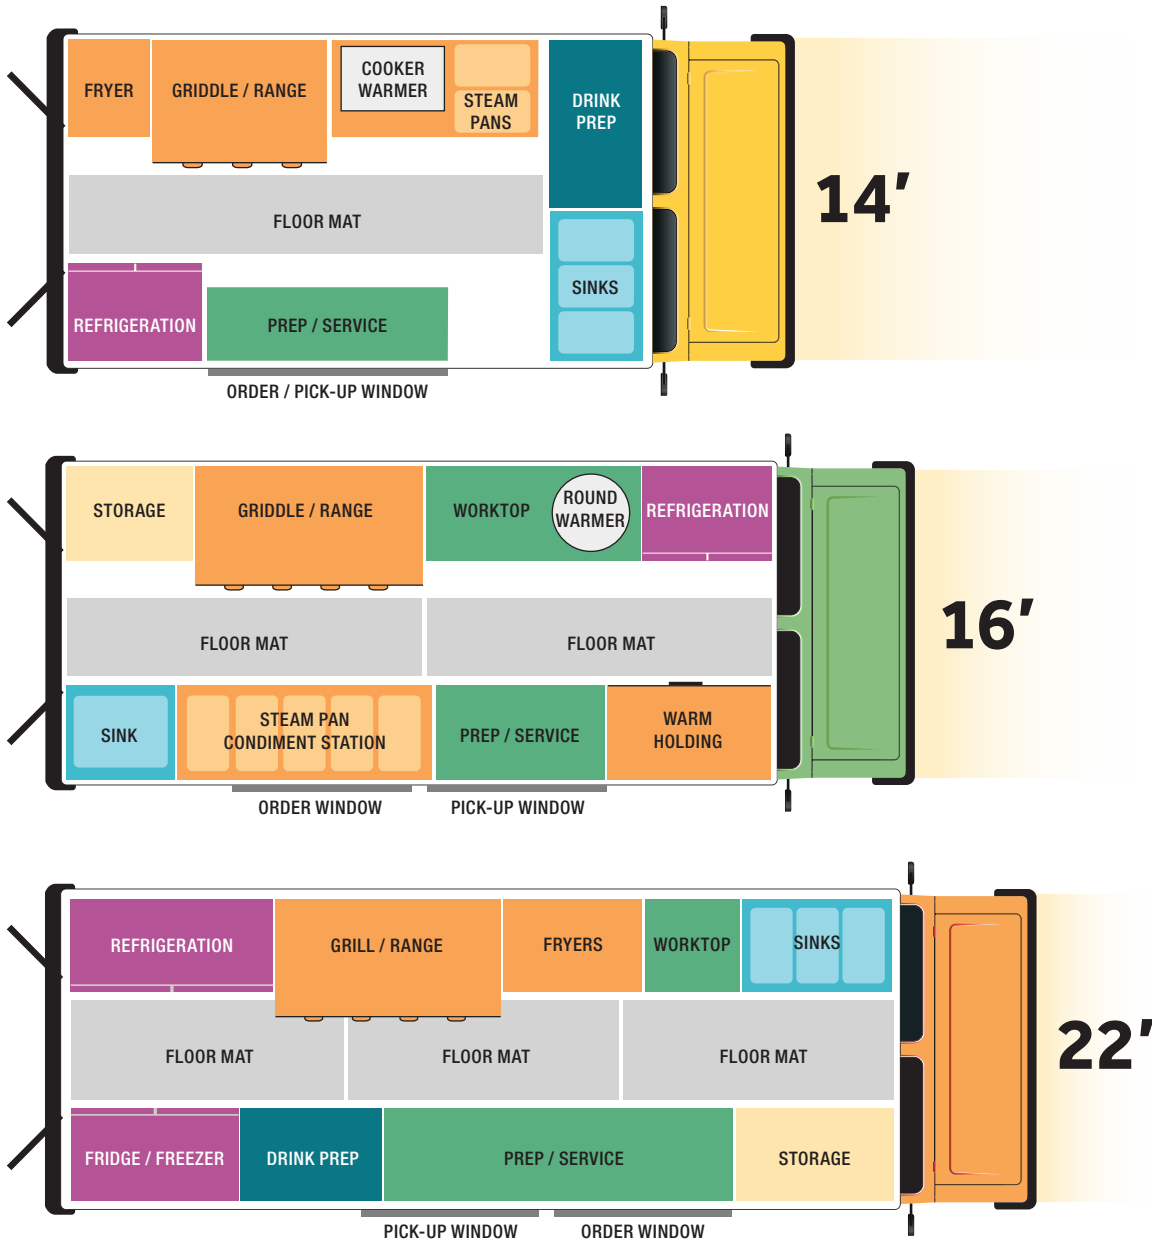

We have food service supplies and equipment that are small for tight spaces and big on cooking power, so your mobile kitchen can make and serve plenty of delicious food. Whether your food truck functions as a street vendor, an event caterer, or a combination, we have what you need to serve up made-to-order specialties daily from your food truck kitchen.

Exterior Setup:

Interior Configuration Examples:

The concept you choose for your food truck will determine the ultimate function and layout of the kitchen.
