CUT TALL WALL SCONCE

Workshop/APD

DA49027
Clear, Glass

The Cut tall sconce is a study in circular and cylindrical forms. The Sconce's clear etched-glass shade is reminiscent of cut crystal, offering a contemporary twist on a timeless technique. The long, narrow shade's deeply grooved texture casts beautifully patterned light and shadow. With a focus on material connections, the sconce's cylindrical glass shade cuffs its blackened steel top, which is suspended from a metal armature, with a draped black cloth cord detail. Certified for damp locations and intended for interior use.
