

Salter Olea Mill Beige

BW120291BEU7

Please retain instructions for future reference.

Care and use

To fill the container, simply unscrew the cap and remove the lid before replacing it securely. The grind can be adjusted from fine to coarse by using the cap. Please ensure that only coarse sea salt or whole peppercorns are used for optimal performance. For maintenance, a gentle wipe with a clean cloth is recommended, avoiding any submersion in water.

Made in **China**.
