

SONANCE

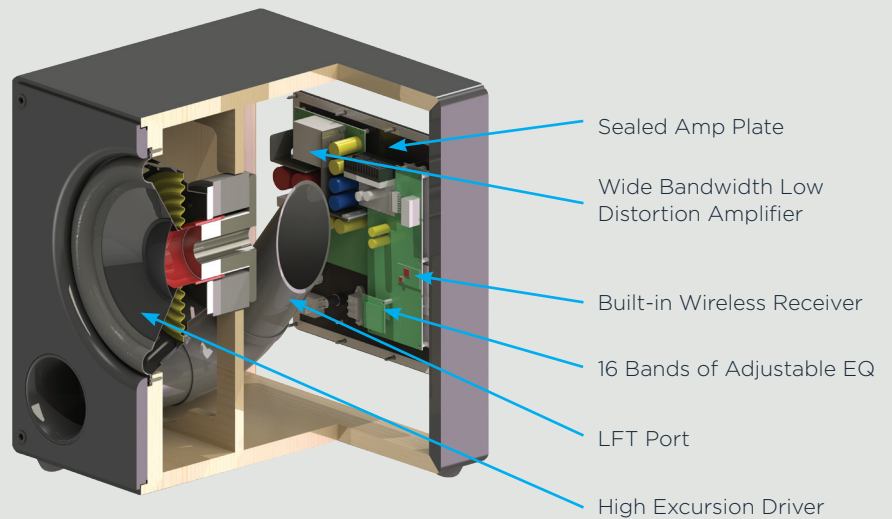

IMPACT SUBWOOFER

i12 | i10 | i8

With three cabinet sizes to select from, exceptional performance, wireless connectivity and SONARC app driven room correction, Impact Subwoofers provide the perfect balance to any audio system with the flexibility for placement anywhere in the room. The addition of the optional Sonance Wireless Transmitter, the Impact Subwoofer placement becomes totally flexible. The wireless transmitter range is 30' allowing the Impact subwoofer to live anywhere in the room. Download the SonARC App from the iOS App Store to enable a custom sound. Follow the simple step-by-step configuration to unlock 16 variable bands of equalization and enjoy the full potential of the Impact subwoofer.
