

# SPEEDKNIT™ GRAPHX™ SERIES BONES

## COATED-KNIT WORK GLOVES

SpeedKnit™ Graphx™ Bones work gloves are constructed with a seamless 18-gauge nylon shell to protect your hands without compromising dexterity and control. The palm features touchscreen capable sandy nitrile palm coating providing durable gripping power in dry, wet and oily conditions. With an artistic skeletal bone design on the back of the hand, this glove combines proven glove performance with personalized style for a custom look, so you can work with attitude™.
