

P303UDBL HEX SURGE PROTECTOR

Save your devices and money with a surge protector.

This Cyberpower Surge Protector provides protection to prevent damaging power spikes and surges from reaching your electronics. The P303UDBL surge protector includes 2 USB ports to quickly charge USB-powered devices, including tablets.

Additional features of the P303UDBL include metal oxide varistor (MOV) technology, a braided power cord, and an impact-resistant casing. The surge protector comes with a one-year limited warranty and a \$50,000 Connected Equipment Guarantee.
