GAME RULES

HOW TO PLAY

- Place the pucks on the playfield and pull the elastic launcher string using your fingers.
- Release the launcher string and let the pucks shoot through the center goal opening.
- Launch all your pucks into the opponent's board area, and YOU WIN!
- You can choose the number of pucks in the game according to your preference, up to a maximum of 10 pucks on each side.

HAVE FUN !

CAUTION:

Be careful as it is possible for the pucks to ricochet and fly off the playfield.

How to replace the C1 Elastic Puck Launcher String : While unlikely , it is possible for the elastic puck launcher string to break or wear out . Should this happen , please see page 5 - Warranty Replacement .

How to replace the Elastic Puck Launcher String :

NOTE: When the procedure below is complete , reasonable tension should exist in the elastic string .

1. Remove the old string knots , from both side holes in the P1 playfield . (If they have not already fell out)
2. Tie a tight single knot in one end of the replacement elastic string .
3. Carefully thread the elastic string thru both side holes in the playfield .
4. Pull the string to develop tension in the elastic string .
5. Tie another single knot in the other end of the string and let the string knot go back into its respective side hole .
