VIN DE CHAMPAGNE - LUDES - MARNE

2017 Côte - Mesnil sur Oger, Grand Cru

STORY

Le Mesnil-sur-Oger is located south, southeast of Épernay. The vineyard areas cover 433.8 ha, of which the majority is planted to Chardonnay (432 ha) with very small plantings of Pinot Noir and Pinot Meunier. This Grand Cru is located in the Côte des Blancs slope, consisting of mainly hillside vineyards. Champagnes produced from vineyards in Mesnil-sur-Oger are quite mineral driven and firm in style. They are “complete” expressions and certainly quite age-worthy. Le Mesnil-sur-Oger was promoted from Premeir Cru to Grand Cru status in 1985 alongside Chouilly, Oiry, Oger and Verzy.

TASTING NOTES

A fine and elegant wine which benefits from poor and chalky soil, that offers a highly intense and precise wine. The lees bring a slightly creamy texture and aromas of lemon zest, wicker and perfume. Almost Chablis like in style, this wine is slender and the palate is outstanding with immediate pleasure. This

2017 has great elegance, brought by the security of the the Mesnil sur Oger terroir.
