

#6 Assorted Wood Rocket Kit

Part Number WR6
Category Number 4760
UPC 781002150558

The WR6 kit is a six compartment Wood Rocket kit that is comprised of six different lengths of #6 Wood Rockets. They are manufactured with a single lead point and spaced threads that create for a strong hold when fastening drywall or sheetrock to wood framing. Wood Rockets feature a countersunk bugle head that tapers down in to the drywall after installation to provide a clean, finished look.
