2022 RIVE DI GUIDA

Valdobbiadene Prosecco Superiore D.O.C.G

BRUT

This Prosecco Superiore comes from Rive di Guida, one of the most vertical and northernmost vineyards in the historic area where Glera is harder than elsewhere. The Chardonnay we blended gives the final wine the right softness and succulence, for a more balance and elegant touch. The dosage is unusual but makes this Prosecco Superiore more in trend and with character.

GRAPE VARIETY

85% Glera, 15% Chardonnay

COLOR

Straw yellow with green highlights, embellished by the fine, rich and persistent perlage.

BOUQUET

This wine has refined aromas with hints of white flowers, citrus fruits, and subtle spiciness.
