

A technologically advanced, optimum solids polish perfected for high speed and ultra-high speed floor care. It is based on high-tech polymers that will deliver durable, deep gloss protection for your floors. Endeavour was designed to be the polish of choice for areas where heavy traffic, grit, dirt, scuffs, and black heel marks torture an ordinary polish to a dull death. It stands up to repeated cleaning with detergents and keeps shining.

Features & Benefits

Stands up to repeat cleaning with detergents and keeps shining

Repeated burnishing just makes it better

Leaves beautifully and dries fast for building a durable base
