Limited 3-Year Warranty

Carpenter Co. warrants to the original purchaser or user that the accompanying product will be free from defects in materials and workmanship for a period of 3 years from the date of the original retail sales invoice. If during the warranty period, this product is found to be defective because of defects in materials or workmanship, it will be replaced without charge. Use of the product diminishes the loft of the foam. Notice of a claim under this warranty must be given promptly in writing, in no case later than 45 days after discovery of the defect. Defective products must be returned, along with the invoice, prepaid to Carpenter at the address stated below. Carpenter will prepay shipping charges for the replaced product. Carpenter makes no warranty with respect to the natural settling of the foam. This warranty will become void if the product shows signs of careless handling or if the product is ripped or torn. In addition, this product must be used with a protective covering, and must be cleaned in accordance with Carpenter's care and use instructions. Any implied warranties shall be limited to the duration of the 3-year limited warranty. In no case will Carpenter be liable for incidental or consequential damages, whether such damages are claimed on account of breach of warranty, breach of contract, negligence or strict/product liability, including without limitation, damage to property (other than the product) or other economic losses. Some states do not allow limitations on implied warranties or the exclusion or limitations of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary from state to state. All claims relating to this limited warranty should be addressed to: Customer Service Department, Carpenter Co., 5016 Monument Avenue Richmond, VA 23230.

WARNING: POLYURETHANE FOAM IS FLAMMABLE!

Polyurethane foam will burn if exposed to open flame or other sufficient heat source. Do not expose urethane foam to open flames or any other direct or indirect high temperature ignition sources such as burning operations, welding, burning cigarettes, space heaters or naked lights. Once ignited, urethane foam will burn rapidly, releasing great heat and consuming oxygen at a high rate. In an enclosed space the resulting deficiency of oxygen will present a danger of suffocation to the occupants. Hazardous gases released by the burning foam can be incapacitating or fatal to human beings if inhaled in sufficient quantities. Once ignited, urethane foam is difficult to extinguish. Foam fires that appear to be extinguished may smolder and reignite. Always have fire officials determine whether a fire has been extinguished. If so required, the foam component in this product has been tested and meets the flammability requirements of California Bureau of Household Goods and Services Technical Bulletin 117-2013 at the time of manufacture.

WARNING: TO AVOID DANGER OF SUFFOCATION, KEEP THIS BAG AWAY FROM BABIES AND CHILDREN. DO NOT USE IN CRIBS, BEDS, CARRIAGES AND PLAYPENS. THIS BAG IS NOT A TOY.
