

DEWALT

DPG851 FOAM NITRILE A5 CUT RESISTANT TOUCHSCREEN GLOVE

The DEWALT DPG851 A5 Cut Glove features a 13-gauge HPPE shell with steel providing strong defense against sharp materials. The foam nitrile coating ensures a secure grip as well as touchscreen compatibilities allowing seamless use of devices without glove removal. The DPG851 provides abrasion, cut, tear, and puncture resistance, making it ideal for construction, manufacturing, and warehousing applications.
