Ships with USB-C Cable

Permanent Install on any VESA arm

POE+ Network Adapter Available.

Use with iPad Power Adapter (sold separately)

## Mount & Charge iPad Permanently on any VESA Arm, In a Minimal and Elegant Frame.

Meet IPOINT VesaMount, the minimalist and secure mounting accessory for IPOINT's CONNECT Case. Combine a VesaMount with any IPOINT CONNECT Case to utilize the simplicity and protection of the Case-Enclosure and transform it into a fixed mount. VesaMount is great for any VESA Application like Free-Standing Kiosks, In-Vehicle, Medical Carts and more.

VesaMount ships with an IPOINT CONNECT USB-C cable so you can use iPad Power Adapter in the installation. Or, use the optional IPOINT POE+ Network Adapter and install inside the VesaMount to provide POE+ Power and 100Mbps Ethernet LAN to iPad. (Works with USB-C iPads only). VesaMount is part of IPOINT's CONNECT MOUNT line of fixed mounting accessories.
