

## **Enhance™ Collection**

Ribbella™ 3D grooved extruded porcelain wall tile was inspired by geometric and minimalist lines with an Art Deco flair. These tiles feature delicate grooves that create a sense of movement, bringing life and dynamism to walls. The high gloss on select grooves enhances the visual effect, playing beautifully with light and shadow to add depth and dimension. Available in five design-forward colors, this collection will transform any space into a work of art.

\*Ribbella features a distinctive design where sections of the tile have a higher gloss, creating a striking offset appearance. When installed, the tiles will be perfectly aligned, but the varying gloss levels will give the illusion of misalignment, enhancing the aesthetic.
