

DISPOSABLE COVERALLS

ITEM 2149

Dynarex Disposable Coveralls are premium-quality protective coverings designed to provide full-body coverage and help shield skin and clothing from dirt, debris, and liquid splashes. Featuring a zippered front closure and open ankles, these coveralls allow for easy donning and doffing.

- Constructed from water-resistant, non-woven polypropylene material to help shield from dirt, debris, and liquid splashes
- Provides durable full-length coverage for reliable full-body protection
- Designed with a pointed shirt collar, zip front, and elastic cuffs for secure, comfortable fit
- Convenient, disposable coveralls with front closure zipper and open ankles allow for easy donning and doffing
- Not made with natural rubber latex or DEHP
- 5 per box, 5 boxes per case
