Oriented Polystyrene (OPS) Hinged Lid Containers

A clear, lightweight solution for showcasing fresh, ready-to-go foods. Designed with excellent product visibility, these containers are ideal for bakery, deli, and produce applications. Their crisp clarity enhances presentation, while the secure hinged lid ensures easy handling and reliable protection—making them a cost-effective choice for modern foodservice operations.

Polystyrene - Oriented (OPS)

ClearView® & Sensation™

Performance Features

- Crystal-clear presentation for grab-and-go foods
- Available in multiple sizes and compartment options
- Choose Sensation™ for superior presentation

Polystyrene Foam (PS Foam) Hinged Lid Containers

Dependable performance for hot and cold takeout. Available in black or white, these versatile containers come in vented and non-vented options, as well as 1- and 3-compartment designs to keep foods separated and fresh. From convetional to SmartLock® closures, they offer excellent insulation, durability, and leak resistance—making them a trusted, cost-effective solution for restaurants, delis, and foodservice operators.

Coventional

Performance Features

- Superior insulation, helping to maintain food temperature
- Offered in black and white in a range of sizes, with single- and multi-compartment configurations
- Vented container designs are a great choice for crispy foods

Mineral Filled Polypropylene Hinged Lid Containers

Engineered for strength and sustainability, mineral filled polypropylene (MFFP) hinged lid containers are made with 50% less plastic than traditional polypropylene containers while delivering dependable performance. Available in vented, white, and black options, they are ideal for hot foods, takeout, and grab-and-go applications where durability and presentation matter.

EarthChoice®

Performance Features

- Made with 50% less plastic than traditional PP containers
- Microwave safe
- SmartLock® technology delivers an easy, reliable seal to help prevent leaks and spills

Polypropylene (PP) Hinged Lid Containers

Durable and versatile, polypropylene hinged lid containers are available in both clear and dual-color options to suit a variety of foodservice applications. Designed to maintain food quality and presentation, these containers offer reliable performance for takeout, meal prep, and grab-and-go packaging.

Dual-Color

Performance Features

- Black base and clear lid for superior presentation and easy order identification
- The full perimeter ZipSeal™ helps prevent messy leaks and spills
- The SmartVent™ lid helps keep food crispy, and is perforated and can be removed for easy eating
- Microwave, heat lamp, and top rack residential dishwasher safe
