RE: Hardware Approval(s)

Dear Grant;

Your product approval request was received by the Institute. The following products and their documentation has been reviewed and are acknowledged as meeting the Institute's minimum requirements:

1. 500.0M73.05, Grade 2, 165-170 degree Opening, Concealed (European Style).
2. Model USE 21, 21" Full Extension, Undermount, Drawer Slide with Integrated Soft Close, rated at 75lbs.
3. 303FU Series, 22", Full Extension, Ball Bearing, Drawer Slide rated at 100lbs.

These products will be added to our listing of member approved products posted on the Institute's website and noted in the next issue of Details, our quarterly newsletter. You may of course use this letter as evidence of your product approval in the mean time.

Please do not hesitate to call if we can be of further assistance.

Sincerely,  
WOODWORK INSTITUTE
