Design Features

· 12 durable acrylic bulbs are impact-resistant and are designed to withstand year-round exposure to the elements

· USB and Solar Power – Pair with the included USB Solar Panel or with any standard USB-A port or adapter (not included)

· Attached controller to choose between 14 vibrant color modes: Warm white, color fade, red, green, blue, yellow, purple, pink, orange, turquoise, Christmas/Holiday, Red/White/Blue, Rainbow and Twinkle

· Built-in 4 or 6 hour timer options

· Flexible mounting options – Mount on a flat surface or hang from above (some mounting hardware included, see page 2)

· UL listed, FCC certified

Additional Installation Information

· Hang your USB-Powered String Lights by utilizing the built-in keyhole mounting tabs located above each bulb.

· Use nails, screws, hooks or guide wires to mount/hang the lights in your preferred indoor or outdoor location.

· Power the lights using the USB connector via any standard USB 5.0V (500mA minimum) power source. These include in-wall USB ports, standard USB power adaptors and mobile USB power banks.

NEVER REPLACE A BULB AGAIN

enbrighten GUARANTEE™ Lighting for Life

SMALLER BULBS
Lightweight and portable design provides the perfect lighting solution for indoor and outdoor locations.

LIFETIME LED
Lights are long lasting, reliable and designed for year-round use.

IMPACT RESISTANT
Durable acrylic bulbs won't break if dropped, stepped on, or in severe weather.
