GE® Plastic Interior Dishwasher with Front Controls

FEATURES AND BENEFITS

Trusted Performance– An American-made dishwasher from a brand with over 100+ years of innovation and reliable dishwasher performance.

Multi-Level Wash System– The multi-level wash system provides powerful wash coverage that reaches every rack so dishes come out clean the first time.

Quiet 58 dBA Dishwasher– At just 58 dBA, this quiet dishwasher delivers powerful cleaning performance while operating quietly enough for open-concept living spaces, family activities and nighttime cycles.

Wash Cycle Options– Customize cleaning with versatile dishwasher cycle options, including Heavy Wash, Normal Wash and a 1-hour wash cycle for fast, effective cleaning on any load size.

1 Hour Wash– The 1-hour wash cycle delivers clean dishes in about an hour without sacrificing performance.

Heavy Duty Dishwasher Cycle– The Heavy duty dishwasher cycle gets the toughest loads clean and uses industry-leading Dry Boos technology to remove water from hard-to-dry items like plastics.

Dry Boost– Dry Boost technology helps get hard-to-dry items like plastics up to 3x drier compared to heated dry. Consistent heat improves drying to ensure your dishes come out dry and ready to use.

Hard Food Disposer– Our exclusive Piranha™ hard food disposer with dual filtration removes large food particles and ensures consistently clean dishes.

Two-Rack Design– This two-rack dishwasher design maximizes usable space, including room in the upper rack for larger items like pots and pans, so you can fit more in a single load.

Large Capacity– This large-capacity dishwasher provide plenty of room for everyday dishes and larger items, so everything fits in one load.

Simplified Installation– Designed for easy dishwasher installation, this dishwasher includes an easy-remove skid, attached drain hose, and universal mounting brackets that allow you to easily mount the dishwasher under any type of countertop.

Flush Design– Designed for flush dishwasher installation, this dishwasher sits seamlessly alongside surrounding cabinetry while accommodating up to 13 place settings for a built-in look and spacious capacity.

ENERGY STAR®– This efficient, ENERGY STAR® dishwasher delivers powerful performance while saving water and conserving energy.

Water Leak Sensor– Active Flood Protect has an advanced water leak sensor to help prevent overflows by detecting high water levels and automatically removing excess water for added peace of mind.

Removable Silverware Basket– The convenient, removable silverware basket makes loading and unloading utensils quick and easy
