

Take Care of Your Community

Read the story.

A community is a place
where people live.
Make your community better.

Pick up trash.
Your community will
look nice.

Plant flowers.
Flowers add color.

Help your neighbors.
Carry their bags.

Be friendly.
Smile and say hello.

Your community will be
a nice place to live!

Answer the questions.

What is a community?	Why does the author say we should pick up trash?	What can flowers do for our community?	What does the author want readers to do?
What is something you can do to help others?	What does the last picture show you?	Why should you do things for your community?	How can you be friendly?

It shows how you can help your neighbors.	The community will look nice.	You can carry their bags.	Your community will be a nice place to live.
You can make your community better.	Smile and say hello.	They add color to the community.	It is a place where people live.

Objective: Identify an author's point of view and supporting reasons.
